

VICTORIAN SCHOOL OF LANGUAGES

2025 LANGUAGES PROGRAM DISTANCE EDUCATION

FOR STUDENTS IN YEARS 7–12 (VCE)

THE VICTORIAN SCHOOL OF LANGUAGES IS VICTORIA'S OFFICIAL DEPARTMENT OF EDUCATION DISTANCE EDUCATION PROVIDER FOR LANGUAGES

Each year over 1500 students from government and non-government schools take advantage of the range of languages offered by VSL Distance Education.

VSL Distance Education students perform well above average on a state-wide comparison each year, and many VCE students are among the top scorers.

Students eligible for enrolment in Victorian government or non-government secondary schools may enrol, provided their home school ensures that applications meet VSL requirements.

Reasons for choosing to study with VSL Distance Education include:

- The language a student wishes to study is unavailable at their home school.
- A timetable clash prevents a student from studying the language of their choice at their home school.
- A student is studying with Virtual School Victoria (VSV).
- Approved home schooling or alternative setting.

All students must have an address in Victoria.
